Other Community Updates

Construction at Brookview - Within the next 2 weeks, a concrete crusher will be on site to begin the process of crushing bricks and concrete. This will create loud noise, mostly around the 100s and Village Square for at least two weeks. It may also be heard around other areas of the community. In addition, there be drilling starting towards the end of next week. This is to probe for rock where our utilities go down the street.

Masks are required in all public areas within Menno Haven. I.e. Northgate, Life Center, Renaissance, Business Office, etc. For questions, please call Tiffany Rife at (717) 709-4557.
