ElderDay 35th Anniversary "I Spy" Quilt - The ElderDay family created a quilt in celebration of 35 years of service to the greater Franklin and Cumberland Counties. Each member and team member created quilt blocks that were all pieced together creating an "I Spy Quilt" (what can you find in our quilt?). The quilt is 84" long X 69" wide. Donna Jones of Meandering Stitches, who donated her time and expertise, quilted it. We are raffling the quilt as a fundraiser to benefit our 2022 summer programming. Tickets are available for donation December 1 – 20. The winning ticket will be drawn on December 22. If you are interested in purchasing tickets, please contact the center at (717) 709-4510. \$1 – 1 ticket, \$5 for 6 tickets, and \$10 for 15 tickets.
