About Our CSA - The best part of YOUR FARMERS BOX CSA, is you get to taste the season of over 30 different fruits and veggies in our box. All produce is grown on our 100-acre produce farm started in 2007. We are conventional growers who adhere to Harmonized GAP guidelines. Farmer Brent will select a variety of produce each week which is typically harvested the morning of or the day before! Customers love the surprises they get each week! Your Farmer's Box could include leafy greens, herbs, veggies, fruit, eggs, and an occasional surprise from one of our farm advocates. A farm advocate is an established local business who supports farms and farming. (example: Undone Kombucha, Pully Wissle Provisions, Roy Pitz Brewing Co., Stoner Apiaries, Local Coffee Roasters, just to name a few!)
